**S O. 1881**—In pursuance of section 17 of the Industrial Disputes Act, 1947 (14 of 1947), the Central Government hereby publishes the following award of the Industrial Tribunal, Calcutta, in the industrial dispute between the employers in relation to the Ena Colliery and their workmen

**AWARD**

The Government of India, Ministry of Labour & Employment by their Order No 2/190/59-LRII, dated 23rd May 1961, referred the Industrial dispute existing between the employers in relation to the Ena Colliery and their workmen in respect of the question whether the Management was justified in refusing to place the nine workmen mentioned in the schedule to the above order in clerical grade II under the Award of the All India Industrial Tribunal (Colliery Disputes) as modified by the decision of the Labour Appellate Tribunal after taking into consideration the nature of duties allotted to and being performed by them and if not, to what relief they were entitled and from what date, for adjudication to the Industrial Tribunal, Dhanbad. By subsequent Order No 4/90/61-LRII, dated 13th December 1961, the proceedings in relation to the above dispute were withdrawn from the Dhanbad Tribunal and transferred to this Tribunal for disposal according to law.

When the matter came up for hearing before the Tribunal, the parties produced a memorandum of settlement amicably arrived at between them; a copy of the said memorandum is annexed herewith. The present dispute relates to the categorisation of nine workmen. Under the compromise, seven of them are to be placed in Grade II with effect from to-day while one is to be placed in that grade from October 1962 and the last in June 1963 or earlier if there is a vacancy. In my opinion, the compromise is fair and reasonable. I therefore accept it.

I pass an award in terms of the compromise

The humble petition on behalf of the parties above named most respectfully submit.

That without prejudice to the respective contentions of the parties the matter has been amicably settled between the parties on the following terms:—

1. That all the workmen except Shri T. Singh (Serial No. 6) and Shri Sakaldip Singh (Serial No. 9) of the schedule of the reference will be placed and their wages fitted in Grade II with effect from to-day. They will get their first increment in Grade II when it falls due.
2. That Shri T. Singh (Serial No. 6) will be placed and his wages fitted in Grade II with effect from October, 1962 and he will get his first increment in grade II from 1963.
3. That Shri Sakaldip Singh (Serial No. 9) will be placed and his wages fitted in Grade II with effect from June, 1963 or earlier if there is any vacancy in the post of an Attendance Clerk.
4. That the parties will bear their own respective cost.

It is therefore prayed that the above compromise may kindly be recorded and an Award passed on terms thereof.

**S.O. 1882.**—In pursuance of section 17 of the Industrial Disputes Act, 1947 (14 of 1947), the Central Government hereby publishes the following award of the Industrial Tribunal, Hyderabad in the industrial dispute between certain employers and their workmen in the Port of Visakhapatnam.

#### BEFORE THE INDUSTRIAL TRIBUNAL, HYDERABAD

#### PRESENT:

Dr. Mir Siadat Ali Khan, M.A., LL.B., Fazal (Osmania), B.C.L. (Oxon), D. Phill (Oxon), Bar-at-Law, Lincolns INN (London), Chairman, Industrial Tribunal, Andhra Pradesh, Hyderabad.

#### INDUSTRIAL DISPUTE No. 7 of 1962

#### BETWEEN:

The Godown Khalasis working at Storage Sheds at the Port of Visakhapatnam

AND

Their Employers.

#### APPEARANCES:

Sri P. Manavalayya Naidu, President, Port Khalasis Union, and  
Sri O. Maheepathi, Conciliation Officer (Central) Visakhapatnam.

#### AWARD

By Government of India, Ministry of Labour and Employment's letter No. 28/14/62LRIV, dated 28th February, 1962, the dispute between the Godown Khalasis Union of Storage sheds at the port of Visakhapatnam and their employers over enhancement of wage rates was referred for adjudication with the following issues framed:

"Whether the demand of the Godown Khalasis for increase in wages is justified and, if so, to what extent?"

The following 7 employers were mentioned in Schedule I to the order of reference as parties to the dispute:

- (1) Shipping Employers' Federation,
- (2) M/s. A. V. Bhanojirao & Garuda Pattabhiramayya & Co.
- (3) M/s. Gordon Woodrofe & Co.,
- (4) M/s. Gladstone Lyall & Co.,

- (5) M/s. Ripley & Co.,
- (6) M/s. La Rive & Co.,
- (7) M/s. Best & Co., Visakhapatnam.

Notices to file claims statements and counters were issued to them and to the Presidents Port Khalasis and the Dock Workers Unions, Visakhapatnam. By letter, dated 15th March 1962, the Shipping Employers' Federation reported on 4th April 1962 that the dispute referred to by the order of reference has been amicably settled on 28th February 1962. It also enclosed a copy of memorandum of settlement, and, prayed that an award in terms of the settlement may be passed. Similar reports and requests were received from the President, Dock Workers Union and the President, Port Khalasis Union.

2. I scrutinised the memorandum of settlement. I found that though Messrs. La Rive & Co., were mentioned as an employer at serial 6 in schedule I, yet, they did not find a mention in the memorandum of settlement, instead, M/s. D. S. Narayana & Co., have been specified in it. To get an explanation for this and to arrange for identification of signatures on the memorandum of settlement, I wrote to the parties, and to the Conciliation Officer (C) and finally had to come over to Visakhapatnam at the earliest opportunity.

3. Today, the Conciliation Officer (C) Sri O. Maheepathi, the President, Port Khalasis Union, Sri P. Manavalayya Naidu, are present. They stated that the Chairman, Shipping Employers' Federation has signed the memorandum of settlement as representative of all the seven employers mentioned in the schedule I; that the Chairman, is seriously ill and at Delhi, awaiting an operation, and that as he signed in their presence they can identify his signature, and also that of the President of Dock Workers Union. They identified the signatures.

4. Regarding the omission of M/s. La Rive & Co., I found that M/s. Best & Co., are their principals; and that not only they (M/s. Best & Co.), have signed on the memorandum but the Chairman, Shipping Employers' Federation also signed representing them, M/s. La Rive & Co. being members of the federation.

5. Regarding the inclusion of M/s. D. S. Narayana & Co. I found that they were expressly included in the settlement, as they were interested and were not members of Shipping Employers' Federation. It is evident therefore, that M/s. D. S. Narayana & Co., were not parties to the dispute and yet they have signed the memorandum of settlement. I regularise this, by making them a party; as they also employ Godown labour and are, therefore, a necessary and proper party to the dispute.

6. The signatures of the employers on the memorandum of settlement are in scribbles. I got them identified: The first signature is of G. Ramayya, representing M/s. A. V. Bhanojirao & G. P. Ramayya & Co., the second is that of Sri A. Sridharan, representing Gordon & Woodroffe; the third is of Sri S. Datta representing Gladstone & Lyall & Co., the fourth signature is that of Sri D. L. Winkler, representing M/s. Ripley & Co., the fifth is that of Sri A. Subbarao, representing the Best & Co., the sixth is of Sri Krishnamurthy representing M/s. D. S. Narayana & Co., and the 7th is that of Sri H. K. Banerjee, Chairman, Shipping Employers' Federation, Visakhapatnam.

7. It will be seen that the memorandum of settlement under consideration except sugar cargo from its operation. I stated to the President, Port Khalasis Union and to the Conciliation Officer (C) that as the Port Khalasis handle sugar also, the dispute in respect of it should also be settled either by agreement or by adjudication. I am happy to note that a settlement as regard sugar cargo has also been filed today and verified. It is dated 22nd March 1962.

8. I pass this award in terms of memorandums of settlement dated 28th February 1962 and 22nd March 1962. I begin with the settlement of 28th February, 1962, as follows:

1. As the employers have agreed to raise the existing rates for handling export bag cargo (excepting sugar) and other commodities of general cargo at the Port of Visakhapatnam as contained in the Appendix to this Memorandum of settlement, these revised rates shall be current for different operations in handling export cargoes, whether in storage sheds, or, in quay wall of the Port, with effect from 1st March, 1962.
2. Similarly, as the employers have agreed further to increase the daily wage rate of female mazdoors, their wage shall be Rs. 1-50, instead of Re. 1 for a shift of 8 hours.

3. The representative of workmen agree that the Godown Khalasis shall resume work immediately and assure that they will take necessary steps to ensure that such sudden strikes do not take place.
4. This agreement does not cover sugar which will be negotiated by the Unions separately.
5. Appendix to the Memo of Settlement:

#### **AWARD**

The Government of India, Ministry of Labour & Employment, by letter No.28/79/61/LRV dated 17th February 1962 referred the dispute in respect of tally clerks, receipt clerks, tally supervisors, and watchmen employed by different employers of Port of Visakhapatnam with the following issues framed:

- "(i) Whether the demand for increase in wage rate of Tally Supervisors, Receipt Clerks, Tally Clerks and Watchmen employed by different employers at the port of Visakhapatnam is justified? If so, what should be their daily rates?
- (ii) Whether there is a case for fixing a minimum number of days for which wages should be guaranteed to these workmen and if so, what should be the minimum number?"

The order of reference specified the parties to the dispute to be (1) the Chairman, shipping Employers' Federation, Visakhapatnam, (2) the Chairman, Steamship Agents Association, Visakhapatnam, (3), the President, Visakhapatnam Stevedores Association, Vishkhapatnam, (4) the President, Port K lasis Union, and (5) the employers mentioned in Schedule I.

2. I issued notices to all the five parties to the dispute to file their Claims statements on 22nd February 1962. On 21st March 1962, the President of Port Khalasis Union, wrote that a settlement has been reached on 17th March 1962 between the Shipping Employers' Federation's representative and their workmen represented by the Port Khalasis Union. A signed copy of the same was also enclosed.

3. I scrutinised the memorandum of settlement and found two defects in it. The first was that it was not signed by all the five parties to the dispute. Again, No settlement was reached on issue No. (ii) specified above. Accordingly I sought clarification from the President, Port Khalasis Union and the Conciliation Officer (Central). The first mentioned did not reply. The Conciliation Officer replied, but, stated that he could not say why issue No. (ii) was omitted and why the 32 employers mentioned in Schedule I to the order of reference did not sign. I posted the hearing at Visakhapatnam at the earliest opportunity for today, the 28th May, 1962.

4. Today Sri O. Maheepathi, Conciliation Officer (C), Sri D. Banerjee, Secretary, Visakhapatnam Stevedores Association, Sri V. V. Rao, Chairman, Visakhapatnam Steamship Agents Association, Sri K. Ramachandra Rao, for M/s. K. Ramabrahmam & Sons (P) Ltd., Visakhapatnam, and Sri P. Manavalayya Naidu, President, Port Khalasis Union, are present. Except Sri K. Ramachandra Rao on behalf of M/s. K. Ramabrahmam & Sons (P) Ltd., Visakhapatnam, none of the 32 employers specified in Schedule I were present. I set them ex-parte.

5. The representatives present explained that as will be seen from the Memorandum of settlement Shipping Employers Federation represented the Chairman, Steamship Agents Association and the Secretary, Stevedores Association, and has signed in the representative capacity on their behalf also. Regarding the omission of issue No. 2, the President, Port Khalasis Union, stated that the Union did not press this issue. It may, therefore, be deemed as withdrawn. The signatures of H. K. Banerjee, who was not present due to illness was identified by the Conciliation officer and Sri Manavalayya Naidu identified his own signature. The representatives of the employers present stated that though the 32 employers are not members of the Shipping Employer's Federation, yet, after the settlement they are honouring it. The President, Port Khalasis Union also joined in making the statement. As I have set the 31 employers ex-parte the award that I am now proceeding to pass will bind them also. I pass the following award in the terms of settlement:

(1) The wages of the four different categories under consideration are revised as follows and with effect from 1st March 1962.

The tally supervisors and the Receipt clerks should be paid Rs. 6-12 nPs. each per shift as per Dock Labour Board shift. The tally clerks and the watchmen should be paid respectively Rs. 4-62 nPs. and Rs. 3-28 nPs. per shift as per Dock Labour Board shift.

(2) All the existing workers of the above four categories should be registered by the Shipping Employees Federation and the system of their employment through the Tally supervisor shall continue. The Employers agree not to employ any unregistered worker of any of the above four categories without the consent of the president of the Union. The registration of the workers shall commence as soon as the lists of the workers are certified by the Union and forwarded by the Federation for registration.

(3) The *status-que-anti* (at the time the demands were placed by the Union) regarding engagement of the tally clerks, the Receipt clerks, the Supervisors and the watchmen on different steamship lines and commodities should be restored by the employers.

Award and report to Government accordingly under my hand and the seal of this Court this 28th day of May, 1962.

M. S. ALI KHAN,  
Industrial Tribunal.
